

Cooperstown Team Selection

Starting with the 2009 11U Torndorf Team.

The 11U Tondorf Team will be the 12U Tondorf /Cooperstown team, however, the same voting will occur in the following season for the 12U Tondorf/Cooperstown team. If a player from the 11U team is not voted on the 12U team, they're still on the 12U team regardless of vote. If NEW players are voted on the 12U Tondorf team, they are also eligible for Cooperstown as long as the following are met:

1. Funding is provided for the new player.
2. The team is within the 15 player limit.

The travel team selection is the same selection process we use for all other ages.
